

**Castries, 5th April 2022**

**Dear Airline Partners:**

The Government of Saint Lucia wishes to inform the airlines and the travelling public of the following:

**The requirement for the upload of documents (PCR tests and vaccine card) has been suspended from April 5th 2022 until further notice.**

IMPORTANT: Agents (airline/ship) must ensure that vaccinated travellers have their vaccine proof, and unvaccinated have a valid Standard PCR test result before granting permission to board. Persons who refuse to provide proof of the requirements should not be boarded.

\*Fully vaccinated means that two weeks have passed since the second dose of a two-dose vaccine or a single-dose vaccine. Vaccine proof must be presented on entry to Saint Lucia.

**Travellers are further advised to visit [www.stlucia.org](http://www.stlucia.org) for full details of the entry requirements, including information about acceptable tests.**

The Authorities look forward to welcoming all travellers, thanking them for their patience and understanding.
