

Notice to Travellers to Saint Lucia

Castries, 1st April 2022 - The Government of Saint Lucia has updated the entry requirements for Saint Lucia effective 2nd April 2022 and wishes to inform the travelling public of the following:

1. Fully vaccinated travellers* - there is no requirement for a pre-travel test or quarantine for fully vaccinated travellers. Fully vaccinated travellers must present a valid vaccination record.
2. Unvaccinated travellers aged 5 years and older must have a valid negative STANDARD COVID-19 PCR test done within 5 days prior to arrival.
3. Travellers are required to show the following documents at check-in (airline/carrier) and on arrival, and these should be easily retrievable at all times. Printed documents are preferred; however, electronic copies are acceptable.
 - **Valid test result (if relevant)**
 - **Vaccine proof (if relevant)**
4. The Saint Lucia Health Screening form is also a requirement upon arrival. This form is available and can be downloaded via www.stlucia.org, and must be completed before disembarking for ease of processing.
5. Unvaccinated travellers arriving without tests or with the wrong type of test will be retested on arrival at their own cost and will be required to remain in quarantine until the test result is known. In the event of submission of fraudulent documents, the traveller (s) will be subject to fines and penalties according to the laws of Saint Lucia.
6. The Ministry of Health and Wellness reserves the right to random test any traveller to the island regardless of documentation or other requirements, obligation or condition required for entry into Saint Lucia.

IMPORTANT: Agents (airline/ship) must ensure that travellers have their vaccine proof or negative tests as noted above before granting permission to board. Persons who refuse to provide proof of the requirements should not be boarded.

*Fully vaccinated means that two weeks have passed since the second dose of a two-dose vaccine or a single-dose vaccine. Vaccine proof must be presented.

Travellers are further advised to visit www.stlucia.org for full details of the entry requirements.

The Authorities look forward to welcoming all travellers, thanking them for their patience and understanding as these updated requirements are implemented.
